

*Your eyes wandered  
over here, too.  
Are you prepared  
for a lawsuit?*

What your employees don't know about sexual harassment could be putting your company at risk right now. That's why TrainRight® Solutions created Protocol 2.0.® A user-friendly web-based software application that eliminates confusion by breaking down legal definitions into language your employees can understand. Protocol 2.0.® features innovative new training techniques and combines real life scenarios with a robust tracking and management system to effectively and efficiently educate your employees, saving you time and money. Protocol 2.0.® It begins where your company handbook ends.
